

A Letter to My Customers...

I am the proud owner of Discovery Ultrasound. It is my great honor and pleasure to provide the Jacksonville and surrounding cities with the miracle of 3D/4D ultrasound! As a mom of two small children, I intimately understand this special time of your pregnancy and strive to provide an extraordinary experience for every woman that chooses Discovery Ultrasound. I want you to feel cared for and special! That is why I set every appointment, greet every customer and perform every ultrasound in my facility. I feel this distinguishes me from my competition and is a huge benefit of being a small family-owned business. Here at Discovery Ultrasound, you are not just another face. I make every effort to create a warm and friendly environment for you and your family to enjoy one of the most cherished and awesome experiences ever...seeing your baby's face for the first time! I encourage you to explore my website, and as always, don't hesitate to call me if you have questions or would like to set an appointment. Take care, congratulations on your pregnancy and thank you for choosing Discovery Ultrasound!

Most Sincerely,

Allison
